President's Report

by Michael R. Crozier, OAM

Dear CMAC Members,

Well, Easter mucked our April Walk-up about, with the Irish Club closed, but Sunday May 2 at 1.30pm, will see our next walk-up due. With the Covid-19 restrictions lifting, I'm looking forward to it, how about you?

A few members have indicated that they would like to see some changes in our walk-ups to make them more attractive and interesting. If you have any suggestions, let Dene or me know, so we can bring it up at a committee meeting. We do intend having more guest artists and suggestions as to who is welcome.

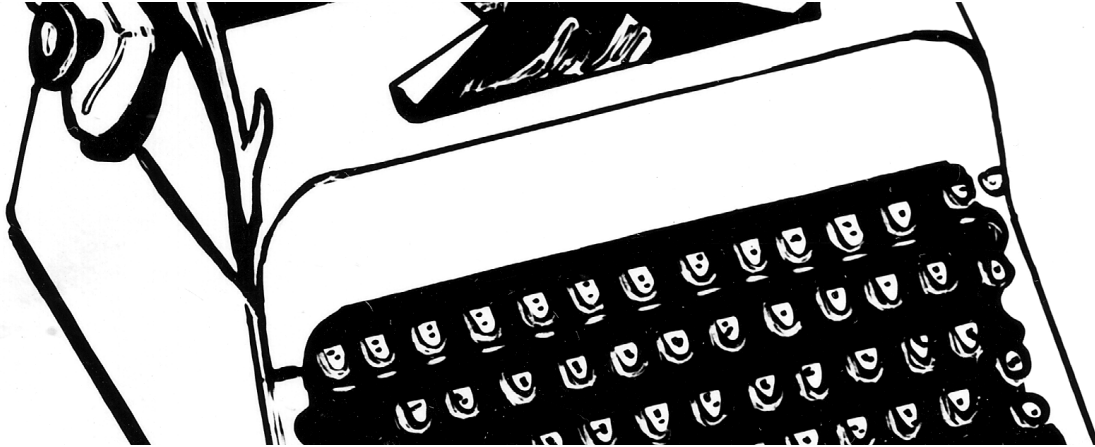

Our annual general meeting is only months away and this year we did not have a full committee. I'd like to see that change at the next annual general meeting. If you are an ideas person and would like to get involved, now is the time to talk to people on the current committee to see what is involved behind the scenes.

Be safe, careful and stay well.
